Join from a Calendar event
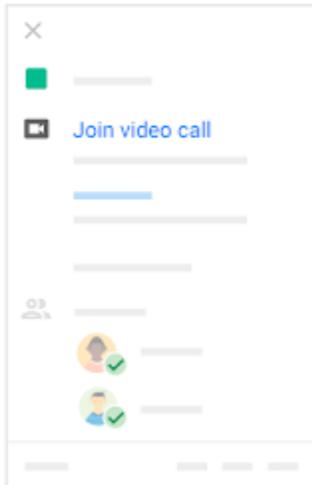

See your scheduled meetings in Calendar and quickly join a video meeting.

1. In Calendar, open the event.
2. Tap Join video call.

If your G Suite administrator allows it, you can also join from a Microsoft® Outlook® calendar event. For details, see Set up interoperability.
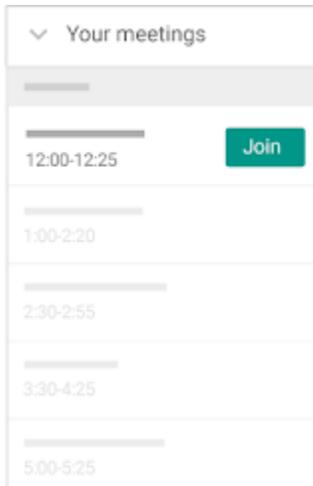

Join from Meet mobile app

In Hangouts Meet, you can join a video meeting using the Meet app, or you can enter a meeting code. You can use the Meet app with any Google account, such as a G Suite account or an @gmail.com account.

Note: Participants who join after the fifth are automatically muted.

Join from the Hangouts Meet app

1. Open the Hangouts Meet app.
2. Swipe up from the bottom to view your scheduled meetings.
3. Select a meeting from the list and tap Join.

Join with a meeting code

Every Meet video meeting has a code that you can use to join the meeting. The meeting code is a series of characters, such as abc-defg-hjk. You can get the meeting code from the joining information that was sent to you or at the end of the meeting link.

1. Open the Hangouts Meet app and then tap Meeting code.
2. Enter the meeting code.

   Note: The hyphens in the meeting code are optional.

3. Tap Join.
4. (Optional) Depending on whether you're joining from a different organization or signed in to a G Suite account, choose an option:
   - Select Ask to Join.
   - Enter your name and tap Ask to Join.
